## From our Community Lay Director

**Hello Community** 

Welcome to the newest members of our community from Walk #101. What a walk! What a privilege to hear the stories at the Closing Service. I encourage the New Fourth Dayers from Walk #101 and their sponsors to attend the Celebration of Walk #101. This will be a great opportunity to reconnect with your new friends and meet other members of Brisbane North Coast Emmaus Community.

I ask that you uphold Women's Walk #104 Lay Director, Leanne Close, and Face to Face Encounter #2 Lay Director, Judy Ironside, in your prayers as they begin the task of putting their teams together. Please also uphold Men's Walk #103 in your prayers as the Board seeks to find a Lay Director for this walk. Due to timing and other factors the people that were in place for this walk are unavailable. I know that God has the right person in place to lead this walk and we need to be open to his leading.

I would also like to officially thank Paul Fletcher for accepting the invitation to be Community Lay Director Elect and will be taking over from me as Community Lay Director in the near future. Please keep Paul in your prayers as he prepares to take on this role.

### Meet our Incoming Spiritual Director

#### Rev. Jenny Sims

What do you want to know about Jenny Sims, the incoming Spiritual Director of the Brisbane North Coast Emmaus Community? Some of you know me and others don't, so here is a snap shot.

I was born into a Manse family (that means my Dad was a Presbyterian Minister and we lived in the "manse") and I

have been part of the Church all my life. I was the third of four children, the quiet little blonde blue-eyed sister who lived in the shadow of her older two siblings. I committed my life to Jesus when I was 11 at an SU after school Children's Programme. God's call to me for full-time service when I was 14 was a significant point in my journey as a young Christian. I became a high school teacher after high school and University.

 $My\ passions$ : music and its place in worship, flowers and the garden, painting (the art kind!) and family especially my 6 grandchildren.

In 1970 I married Neil. We met when we were 11 at a Children's Camp at Alexandra Headlands. I had my eye on him and we played tennis together before breakfast on the old courts. He was flattered that one of the girls noticed him! God brought us together again at University. Neil was ordained in 1973, and together we served the Lord in Queensland but it wasn't until 2008 that I was ordained as a Minister of the Word in the Uniting Church. Now, in retirement, we continue to be available for whatever the Lord is calling us to! We have been through some

tough times but God has been faithful to us renewing us and strengthening us when we needed grace to carry on.

This is the third time I have been part of this community. The first time was when the original Emmaus Community in Queensland divided into North and South. (I was a pilgrim on Walk 25 of the Queensland Community July 1992 at Margate – table of Esther!) I was on team at a few Walks at Margate during that time. Then in 2008 to 2012 when I was minister at Chermside-Kedron Community Church, I was Spiritual Director of Walk 78 in 2011. The next year we moved to Dalby, where I was minister until 2017 and now we have reconnected with this community. I was an ASD on Walk #102 last year. It's good to renew friendship with people like Greg and Helen Trost, Margaret Niethe, Kathy Cooper and others, and to see that God's ministry of love and grace is continuing in the lives of people in this Community. One of the joys of being part of Emmaus is the strong bond with fellow Christians which continues as you move from place to place. We have been part of the original community, as well as Brisbane West Community and the Downs Community.

My Emmaus Walk was life-changing for me. I came to the Walk very wounded and God healed me of the pain I was carrying and reaffirmed my call to ministry. It was an overwhelming experience of God's love and grace to me which set for me a new course. God said to me, "If you keep looking back, you'll turn into a pillar of salt!"

How great, indescribable and generous is God's grace to us. How precious is God's love for us! How amazing that God wants us to change our world as we display God's likeness and live in Christ and for Christ in our own sphere of influence!! What a privilege it is to serve the Lord in whatever capacity or role we are called to in this Emmaus Community! I look forward to our continuing journey together as a Community, and for all that God has in store for us out of the abundance of his love, mercy and grace.

Jenny

#### Men's Walk # 101

#### Ascribe greatness to our God!

I want to thank all those who made Men's Walk # 101 a success - those who were on team and those who came and helped, but most importantly I want to thank God who was there the whole weekend guiding and directing all that went on.

Walk # 101 was originally to be held in October last year but was postponed because God had other plans. I believe the walk was a great success due to our God, the Rock, whose work is perfect, His ways are just and His timing is impeccable. He knew who was to be on the walk and he touched each person, encouraging, refreshing and renewing their faith in Him.

15 pilgrims attended Men's Walk # 101 at Glendalough on the weekend of 14<sup>th</sup> to the 17<sup>th</sup> March 2019. The pilgrims arrived on the Thursday night expecting a weekend of walking but soon realized that physical exercise was not what they were getting. They were in for a walk though God's love and all present, pilgrims and team, soaked up the love expressed by the Emmaus community as well as the outpouring of God's love by His Spirit on all those who were on the walk.

The pilgrims interacted well in their table groups and a real bond was formed with those on the tables as well as lifelong friendships with all those on the walk.

I look forward to seeing what He has in plan for the latest fourth dayers.

Face to Face Encounter #2 will be held at Gympie Regional Uniting Church, Red Hill Road, Gympie on Tuesday 11, Saturday 15, Tuesday 18 and Saturday 22 June 2018.

Our team is starting to take shape and God is richly blessing us with the people He is putting before us to be on Team. I ask you please to start talking to people who would be possible Pilgrims, so we can make this a great Encounter.

Please make **50 pieces of each item** (with a small safety pin attached where possible) There will be **11** times when agape is put out for the pilgrims (during Face to Face) Also make sure you containers have the name of your group and contact phone number attached so that all unused agape can be returned to you.

When planning what you will make please remember the Focus of each Day varies:

Firstly - God calling us

Secondly – Jesus died for us

Thirdly – Holy Spirit empowers us to be the Body of Christ in the world.

It will be helpful if groups could let me know what you will be making so we can eliminate the possibility of double-ups.
