Hello everyone,

Happy Easter! What a great season in the Christian calendar, where we remember the abundant love our God has for us and the power of His Kingdom that we now get to experience.

One of the many familiar stories we hear at this time of year, is the story of two disciples encountering Jesus on the Road to Emmaus (Luke 24: 13 – 35). I would encourage to you go back and read the story. While you do, reflect on how God has met you and continues to meet you on your journey. Where you have had Faith re-explained through the teachings of Jesus. Where has Grace been re-experienced through sharing in Communion. How have you experienced Christian Community by gathering to hear how others have experienced the risen Christ. Where have you seen the Body of Christ renewed through disciples supporting each other as they walk in the Spirit of Jesus and share the gospel of grace with those around them.

Finally, a reminder that we have reduced the number of gathering we have this year to allow our community to be more involved in their local church communities. Our aim is to make the gatherings we do have this year will be special times of worship, fellowship and connection. Our next gathering will be Saturday 11 June 2022, where we will be hosting the Commissioning of the teams for the Boys and Girls Chrysalis flights running from 22 – 24 July 2022. Chrysalis is open to young adults from 18+ and of any Christian denomination. Registrations for these flights are now open. Please consider if you know any young adults who you might be able to sponsor. Registration details are available from the Chrysalis website (www.flywithchrist.org.au).

Greetings from the Web Coordinator

If anyone would like to share how their experience of doing the “Walk to Emmaus” or “Face To Face” has enhanced their walk with Christ and their involvement in their local church and would like to write a short testimony, it would be great to hear from you.

As you will have noticed that there are short testimonies going across the bottom of the home page. You will also notice there are no testimonies from anyone in Queensland so if you are willing to share your experience, I would really like to hear from you.

The testimony only needs to be short and a passport size photo of you to put beside the testimony. You can reply via this email or to the Web Coordinator via the “contact us” page on the website.
